TUCK'S POST CARD

CARTE POSTALE

POSTKARTE

By Appointment.

Buckingham Palace stands at the end of the beautiful processional avenue known as the Mall. The Palace, the London residence of the Sovereign, is a massive and imposing building of quadrangular shape, erected on the site of old Buckingham House, which was built in 1703, and rebuilt and enlarged by Nash in 1825-7.

(FOR ADDRESS ONLY.)
